## Professional Summary

- Aspiring web developer and Computer Engineering student at GTU with expertise in frontend development. Proficient in HTML, CSS, JavaScript and focused on creating responsive, user-friendly web applications. Project experience includes a Personal Portfolio Site and Style Stash E-commerce platform, demonstrating skills in responsive design and user engagement.

## Personal Projects

JULY 2024

### Personal Portfolio Site | Frontend

- Frontend Development: Created a responsive and visually appealing personal portfolio website using HTML, CSS, and JavaScript, showcasing projects and skills effectively.
- Data Management: Utilized Google Spreadsheets as a simple backend to store and manage contact form submissions.
- User Experience: Focused on clean design, seamless navigation, and optimal load times to provide a user-friendly and engaging experience.

MARCH 2024

### Style Stash | E-Commerce Platform | Frontend

- Frontend Development: Crafted a sleek and user-friendly interface using HTML, CSS and JavaScript, ensuring seamless navigation and a visually appealing design.
- Interactive Shopping Experience: Integrated dynamic features such as personalized styling recommendations and a responsive product catalog to enhance user engagement and satisfaction.
